Group Discussion || Sermon Date: 9/20/26

1 WARM UP QUESTION

Share a time when your attention was fixed on the wrong thing. How did shifting your focus change the situation?

2 SCRIPTURE QUESTIONS

Ask someone to read this week's passage: **Psalm 62:1-2**

- What do you think David's waiting looked like emotionally and spiritually? What might have been happening in his heart during that time?
- What does the imagery of God as a rock and fortress communicate about how David experienced God's presence and help?

3 MEANING QUESTIONS

- What do these verses teach us about the difference between waiting on God and simply waiting for circumstances to improve?
- Why do you think Scripture connects confidence and security so closely to God's presence rather than personal strength?
- What about God's character makes Him worthy of our complete trust?

4 HEART QUESTIONS

- Is there an area of your life where God is asking you to wait on Him rather than forcing a solution? What makes that difficult?
- Which description of God in this passage, salvation, rock, or fortress, do you most need to embrace right now? Why?
- If you truly believed that God was your fortress, how might your fears, worries, or reactions change this week?

5 ACTION QUESTIONS

- What is one specific situation this week where you should intentionally shift your focus from the problem to God's character?
- Is there a promise of God from Scripture that you need to meditate on daily to strengthen your confidence in Him? Share it with the group.
